Dear Parents

Re Parent information session for WACE 2016

The time is approaching whereby Year 10 students will begin to make their subject selections for 2015 and 2016.

Many events will be taking place to ensure students (in consultation with parents) make informed choices. One of such events includes the parent information sessions.

There are two parent information sessions that have been placed on the school calendar: **Friday 30 May 2014 from 1.15 – 2.45pm** at Narrogin Residential College and a repeated session on **Wednesday 4 June 2014 from 6.30 – 7.45pm** in the Trade Trading Centre at the high school. Parents with students only need to attend one session as they are repeated.

The parent information sessions will address:

- Changes that have occurred for Western Australian Certificate of Education (WACE) requirements ie Year 12 Graduation.
- Information on direct and alternate entry to university.
- Vocational Education and Training (VET) pathways.
- Senior school assessment and reporting
- Subject counselling process.

If you have any queries please do not hesitate to phone me on 9881 9300.

Look forward to seeing you there.

Regards

S Stankovic

Deputy Principal – Senior School
