Narrogin Senior High School

Issue 6 2016

NSHS Newly Elected Student Council for 2017

Back: Shawn Samson, David Hallam, Brad O'Neill, Chris Kain, Paddy Armstrong-Hetzel,
Second Back: Sophie Potts, Georgia Earnshaw, Ionie Hall, Jasmine McDonald, Abbey Wilson,
Second: Samuel Licence, Michael Gentle, Marshall Bowey, Chloe Hansen, Kate Dyson,
Anri Van Niekerk, Emily Jones,
Front: Michaela Pratt, Ryan Blechynden, Benjamin Woodruff, Liam Smith, Rohan Annear,
Ava Rawlings, Janka Reynders,
Absent: Travis Cochrane, Isabelle Kilpatrick

Narrogin Senior High School runs quite a unique Student Council Election. The **Australian Electoral Commission** is engaged to officiate the running of the election. Nominees names are forwarded to the AEC, where a draw is done and names are placed on the ballot papers.

On Election Day the Australian Electoral Commission officials attend our election, bringing with them voting booths, ballot boxes, AEC banners and complimentary items for voters. Prefects officiate as electoral officers and each student's name is checked off as they present to vote.

Once voting is complete officials from the Electoral Commission take the locked boxes back to Perth and using a Preferential Voting System carry out the count.

Narrogin Senior High School would like to thank the Australian Electoral Commission officials for their commitment to our election, it gives students a real insight into how State and Federal elections are conducted.

Mrs S Castle

Principal

Ms Sandii Stankovic

End of Term 3 has arrived and I am in awe of how much has been achieved by our students at this school.

Achievement

Our Top Student assembly recently illustrated the success achieved by Year 7-10s for this term. 8As illustrated the high calibre of many students who achieved 8As (7-10) in one semester report. The Year 11s and 12s above 70% of As from grades awarded also received an 8A badge. The full list of winners of all awards is included in this newsletter.

Our Year 10 cohort have stepped up throughout Term 3 in preparation for Year 11 and 12. Subject choices have been submitted. Teachers have been preparing the students for the year ahead, increasing the rigours to the expectations of years to come. Our Year 11 have also impressed me with their manner of approach towards 2017. Most have met with me to discuss options for 2017 with solutions to their challenges. I have high hopes for the cohort for 2017.

Open Day

Our Open Day coordinated by Jo Woodruff was an outstanding success. Many came along to see examples of high school experiences. There are many people proud of this school and it was demonstrated throughout the day. The feedback has been positive and we look forward to continuing this in 2018.

NAEP

We also held the Narrogin Academic Extension Program testing on Open Day. There are 40 applicants for the 2017 NAEP program which is proof that the program is continuing to grow and that our high school is attracting students that aspire from a young age. We look forward to continuing to expand on this program. Our goal is to assist these students in succeeding in ATAR, achieving their best results when they reach Years 11 & 12 and to better prepare them for their own chosen endeavours.

Communication

We have quite a number of events taking place throughout the remainder of the year and it is envisaged that the whole school community take advantage of attending these.

Our attempt to communicate with the whole community is done through letters, texting, newsletters, website, Connect, our marketing board outside the school and the most obvious, dialogue. As you can imagine informing students or providing students with the information does not always make it to guardians and the wider community. A number of parents have embraced Connect and we continue to develop this to extend to all classes for 2017. Our facebook page <https://www.facebook.com/Narrogin-Senior-High-School> also allows for expedient communication and we do try and not to overload the information on this page. We post items we believe our community want to know. Please access this page and register for Connect to help us with our endeavours to keep you up to date. We also have events such as the Canberra Trip (October USA Trip (October 2017), Musical Events, Senior School drama performances, assemblies and workshops that we would like to keep all informed.

Our staff have been diligent in ensuring our community has access to resources. We have workshops for students and staff and we extend these to parents. Early this year we had Andrew Fuller and next term we have Ian Lillico. Ian provides professional development for teachers, parents, students and organisations throughout Australia and internationally. He is regarded as the guru for helping us to understand how to support boys better learning outcomes. This is one of many workshops we will be facilitating. Recently we had Elevate discuss with students, teachers and parents on how to increase the effectiveness of studying.

It is important for our community to work together in the challenges that our teens face. I strongly suggest that you attend the relevant workshops to support our students in succeeding.

Year 12

As we approach the final 10 school days for our Year 12 students I would like to take the opportunity to thank our staff for the outstanding work they do each and every day. The dedication to their students and their subjects is of the highest standard, not to mention the additional time they spend providing tutoring during the day, at breaks, before and after school. With such a short period remaining for our Year 12 students it is imperative that they make the most of every opportunity whether it be in class, accessing the extra help or the upcoming ATAR Revision Seminars. I do wish each and every student all the best in their future endeavours and look forward to hearing of their success as they go through the journey through life.

I encourage all students to use the Term Three break as an opportunity for to catch up. Our Year 11s will also benefit in using the final break to prepare for completing the academic year.

Wishing you all a happy and safe holidays.

What an end to Term 3! As we head into holidays it is very important for all our students to remain focused for the short time remaining at school, whether it be only a few weeks (our 12s), or the long haul, for everyone else.

Success in what you do is imperative and I just wish to continue my small theme a little longer. At the last merit assembly, I talked about commitment and its importance in the overall scheme of things. There are other words which are vitally important, words such as 'Determination', 'Diligence', 'Persistency' and 'Focus'. Without these characteristics your personal success will be limited. But I would like to leave you some other fragments to ponder and think on as you head into holidays.

Firstly, **How You Think Is Everything**. Always be positive and be aware of a negative environment. Your belief that you can accomplish your goals has to be unwavering. The moment you say, 'I can't' or 'I'm not good enough', you limit your potential and you won't. Positive things happen to positive people. Secondly, **Take Action**. Your beginning steps may be small ones, but when you look back over your journey, those steps will have stretched into a long trail of which you can be proud. Thirdly, **Be Persistent and Work Hard**. Success can be likened to a marathon, not a 50m sprint. I look back personally on what I have achieved in learning the violin, and I wouldn't be where I am today if I hadn't been persistent, stuck at it and worked very hard. Fourthly, **Don't Be Afraid To Be Different**. If something doesn't seem to be working, look at it a different way, try a different tack, think outside the box – be innovative. Lastly, **Be Honest and Dependable**. Individual sincerity and integrity are paramount to your success. People see you for who you really are. Take responsibility for all your actions, and be reliable or else the preceding points won't mean a single thing. Henry Ford once said, 'before everything else, **getting ready** is the secret of success'. Without a plan, without a goal, without informed direction, without preparation, you won't be able to have success, your focus will waiver and you will drift and lose interest. Finally, whatever you set your heart to achieve, it must be part of your daily routine – 'the secret of your success is hidden in your daily habits'.

So I hope everyone has a very safe holiday and comes back refreshed for the final term of 2016. For our Year 12 students sitting their WACE, study hard and best of luck. For Year 11 students, your end is in sight as well. Study hard, revise and remember and best of luck in your upcoming exams next term. For Year 10 students, Upper school is nearly here, so study hard and focus on making the last term count towards setting you up for success in your senior schooling. For all the Year 7-9 students, study hard and keep working diligently for the last term.

P&C Open Day Raffle Winners

1st - Wendy McLaren
 2nd - Sue Spark
 3rd - Jo Cook
 4th - Jane McGrath
 5th - Nick Samson
 6th - Ms Coffey
 7th - Carol Potts
 8th - Lesley Young
 9th - Mrs E Van Wyk

The P & C and the Narrogin SHS would like to thank the following donors and sponsors for their support of the Open Day

Gift Hampers to Go	Byfields
Guardian Pharmacy	Thing-A-Me-Bobs
NAB Agribusiness	Narrogin Newsagency
Toyworld	Narrogin Observer
Country Fresh Meats	Spring Festival Committee

CHAPLAIN DONATION

We have received a very generous donation of \$1,000.00 for chaplaincy services at Narrogin Senior High School from Church of Christ – Dorcas Clothing. This donation will enable the chaplains to plan the programs and resources that will provide ongoing, quality support to the student community of Narrogin Senior High School. On behalf of all the community at Narrogin Senior High School, we thank Ms Smoker and Church of Christ – Dorcas Clothing, for this wonderful gift.

Congratulations

NSHS P & C Open Day and Market Fair Attracts Large Crowd

NSHS Band entertaining the audience

Coffee tent manned by Student Council staff helpers

Cold Case Investigations

Saturday the 10th of September saw Narrogin SHS once again open their doors to the public. The Bi Annual **P & C Open Day and Market Fair** was a great success with hundreds coming through the gates to survey what the school has to offer. Visitors were pleased to wander around the school grounds and check out the many Market Stalls and Displays. Radio West was engaged to broadcast from the school grounds interviewing several staff and students throughout the morning. Each Department had a classroom open with activities on the go. Several English Department Staff dressed up as a Book Character for the day and the Science Department ran Rocket Launches and Forensic Dissections throughout the Day. The Band put on three performances, the highlight being the Teddy Bears' Picnic which was very well attended. The HASSL Department was very busy with some of its Business students taking on the NAB Challenge to create and run a small business and make a profit. They had several stalls selling home made products and jewellery. The Phys Dept ran the Speed Gun Challenge in the Gym and Design and Technology had a display of students' projects. The Art Department had an Art Show in the Performing Arts Centre and Chef Justine and a band of Hospitality students served breakfast and Devonshire Teas at the Hill Top Café. Student Council ran a Corner Coffee Shop and Games Alley to raise some funds for the Council.

The school guided tours were once again popular and the Year 7 English and Mathematics Extension Testing was very well supported with some 32 students sitting the tests.

Election Day Comes to NSHS

**Principal Mr Quartermaine
casting his vote**

NSHS students once again went to the polls to elect Prefects and Student Councillors.

Nominees had to firstly gain the support of their Student Managers (Year Leaders) to be eligible to nominate, then deliver a short "Election Speech" to students in their Year group.

**Carole Kickett, Shannon
Bubb checking off voters**

Popular voting time

Mrs Alagusundaram's Mathematics Class

Students in Mrs Alagusundaram's class have been learning about congruent triangles and angle relationships.

Some of the activities are sorting angles according to the rules of congruency, solving puzzles and investigating angle relationship.

Australian Mathematics Competition Results 2016

On 28 July our school had 119 students participate in the Australian Mathematics Competition. Congratulations to the following students who received a Distinction or a Credit.

Year 8 NAEP English

The Year 8 NAEP students have been working on the Cross Curriculum Priority of Aboriginal and Torres Strait Islander Histories and Cultures. We have looked at places that are important to the culture and history of Australia. Students have then written a poem, using multiple poetic techniques on a place in Australia that is important to them. The students had to analyse their poem so that they could highlight the theme, tone and poetic techniques within their poem. These poems were then entered into the 2016 Roland Leach Poetry and we are awaiting the results. Ethan Mycock stated, "It was peaceful and emotional writing about my farm," and Georgina Jensen stated, "It was fun and exciting writing about Kalgoorlie."

My Universe

By Georgina Jensen

It is a dry panoramic place,
It is my picturesque unspoiled space,
With the reliable sunburnt soil
And the auroral scorching sun shining
over,

Joint with the majestic orchids
Blooming to their hearts content,
Framed by the all mighty road trains
Sending fresh produce all-over.

The soft scorching heat
And all the bare feet
Getting burnt by the brown lands,
From the sweeping plains
To the pitiless blue skies
And the ragged mountain ranges,
It is my rainforest to explore,
Even without the rains.

Throughout the pleasant droughts,
You wonder whereabouts
All the loving blowies and mozzies hide,
Much the same as most
They just sit back and well-,
They let loose relax
And watched life fly by
Whilst giving a well-earned toast.

As the day comes to its magical end
The stars twinkle like you could not com-
prehend,
The stars are haloed by the dark night
sky,
On the horizon the elegant sun begins to
set,
As her vast lands drift off into a captivat-
ing sleep
Her little friends come out to play,
We have been together for a while
But it feels like we just met.

All as One

By Ethan Mycock

Before the sun has risen
Before the shadows arrive
With the trees whose leaves point upwards
Towards the lightening sky
Before the scorching sun reigns proud
The bush is a whole new world
holding the lush green plants
And the rich brown dirt together

The sounds of the bush are subtle
They are clues to the life of the land
Noises are signals of existence
Weaving their way to a prying ear
The occasional chirp of a willy wag tail
The rhythmic pound of a confident kanga-
roo

The cry from a brave bold eagle
And the cackle of a colourful kookaburra

In the bush opposites coexist
A spiky bush may have luscious smelling
flowers

On a cool morning the grass is sweet
With the familiar scent of sheep manure
The strangely simpatico aroma of smoke
From a neighbours burning
And the crisp redolence of
Fresh morning air

The bush in all her beauty
Is the most glorious at the crack of dawn
When the spider webs glisten brightly
And the leaves gently sway in the breeze
The sun has no power at this time
The horizon harbours its energy
Without much sun there are no shadows
And the bush seems to blend into one
The splendour of features in collaboration

Humanities And Social Sciences

Year 9 Financial Literacy

**Justin Nguyen and
Madison Shotter**

Year 9 Financial literacy class, held a stall at the Open day, as part of the NAB \$20 Boss Challenge. This challenge is a nationwide competition, where students set up mini enterprises in order to raise money for charity. Our students sold products which they had made, this included biscuits, marmalade, jewellery and a hair wrap service. The day was a great success.

Thank you to everyone who supported us.

**Back - Blade Carter
Front - Mark Drotsky and
Brandon Lee Goodridge**

Year 7 Science

In Science we have been learning about simple machines like pulleys, inclined planes and levers. Simple machines give a mechanical advantage, meaning less force is required to achieve an activity. We use simple machines every day to make tasks easier; one example would be changing our bike gears to ride up the hill to school. The class has really enjoyed this topic as we have completed many practical activities.

By Elijah Simkins

Jasmine Ozanne (Year 7)

Congratulations

At the recent Southern Regional Gymnastics Championships held in Katanning, Jasmine and Ashlyn came away with a swag of medals and ribbons.

Well done Jasmine and Ashlyn.

Ashlyn Edmonds Year 7

Visual Art Term 3

➤ NSHS VISUAL ART CLUB ARTWORKS ➤

At the beginning of the term the Narrogin Senior High School Art Club began and we have had between 10-15 students attending the sessions every Thursday between 3.30pm-4.30pm in the room 26 artroom. These talented students have been working very hard on their watercolour skills and have produced some fantastic final artwork. If you're interested in Visual Art and would like to learn new skills and have fun, please join us on Thursdays!

➤ YEAR 11 AND 12 VISUAL ART PERTH EXCURSION ➤

The Year 11 and 12 General Art students were lucky enough to spend the day in Perth visiting the Art Gallery of WA and exploring the city and Northbridge Cultural Centre. The excursion was a reward for all of the hard work our Year 11 and 12 Visual Art students have put into their work this year and we had a fantastic day seeing the artworks and exhibitions at the gallery. The students all represented our school extremely well and were a pleasure to take on the excursion. A big thank you goes out to Nick Rowley for driving the bus and to Jenny Harrington for joining us on the excursion.

➤ NSHS AND P&C OPEN DAY VISUAL ART EXHIBITION ➤

The Open Day Visual Art Exhibition was a huge success. It was fantastic to see our talented student's artwork displayed in the new PAC space. The exhibition was a "preview" of our whole school Visual Art Exhibition on the 20th of October.

National Australia Bank Cup

Winning Teams NAB Cup

Narembeen Boys and Narrogin SHS Girls

Pippa Bairstow representing Australia, in the School Girls Team, that toured South Africa.

Pippa studies within the school's Hockey Academy.

This annual event brings District High Schools in from across the district and serves as important preparation for the District High Country Week Carnival that takes places in the last week of Term 3.

Nick Corner was selected in the Western Australian Men's Country Hockey Team, which contested the Australian Country Championships in Darwin. Nick scored the winning goal in the Bronze medal game.

He was subsequently selected into the Australian U21 Country Team that will tour Fiji.

Nick studies with the school's Hockey Academy.

NOTICES

Help your child to be a non-smoker

Set a good example by being a non-smoker. If you have found quitting difficult and are still a smoker, tell your child how you feel about your smoking. You can get support to help you quit. Wheatbelt Quit Smoking Program facilitators work across the Wheatbelt providing FREE support. Contact 9622 4320 to get local support to help you quit.

Support non-smoking messages. Make your house and car smoke-free zones. Don't send your child to buy smokes or get them to light cigarettes for anyone. If there are smokers in the house, keep smokes where children cannot get them.

Discuss smoking with your child when you see others smoke. Talk about the dangers of smoking. Explain the long-term risks but emphasise the immediate risks to their health and wellbeing (e.g. bad breath, stained teeth and fingers, and less money in their pocket). Explaining the long-term risks may not have much of an impact, as young people can find it difficult to imagine 20 or 30 years into the future.

For more information about smoking, go to <http://makesmokinghistory.org.au/> and <http://www.smarterthansmoking.org.au/>.

School Dental Van

From Monday 5th September, the Narrogin Dental Therapy Centre began seeing patients. Enrolment forms have been given to primary school students previously not enrolled with the dental service in Narrogin. Please ensure enrolment forms are completed and returned to the school.

Appointments will be made and sent home for all students on the waitlist. Please be patient as we are aware there have not been any full time staff here for 2 years and everybody will be overdue to be seen.

All children must be accompanied by a parent/carer for their first exam appointment. Parents are to get their child from class and bring them to the centre for their allotted appointment time. Appointment times will be sent to you, if the time is not suitable please ring to rearrange.

All students are eligible for the School Dental Service from Pre-Primary to the end of Year 11 (17yrs).

Dental Therapy Centre #: 0428 984 100

Adolescent well-being and family functioning

We are seeking parents of adolescents to participate in an online questionnaire.

We are conducting a study to better understand adolescent mental health, why some adolescents deliberately harm themselves and the impact that this has on the family, in particular, parental wellbeing.

The questionnaire will take an hour and can be completed at any time.

Your responses will be **confidential** and no identifiable information will be used.

If you would like to participate, or you would like more information about the study, please contact one of the researchers: Penelope.Hasking@curtin.edu.au or Henry Booth henry.booth@student.curtin.edu.au. You can also access the questionnaire directly at https://curtin.au1.qualtrics.com/SE/?SID=SV_b6Biw5PNhmKGTIN

By participating, you can receive information about self-injury and maintaining good mental health.

The flyer relates to a series of dance and music intensive workshops to be held over the school holidays – the first of which is free, and the following 7 days of workshops will be at a cost of \$50 per participant. Bookings and enquiries through to ARTS Narrogin on 9881 6987.

Go Health!

Sleep – tips for teenagers

The typical teenage brain wants to go to bed late and sleep in the next morning. This can be difficult to fit in to a school routine. Teenagers need about 9 -10 hours of sleep a night. Lack of regular sleep can take a toll on school work, sport and behaviour. The risk of emotional problems, such as depression, may also increase in teenagers who do not get enough sleep.

These steps may assist your teenager to start getting some more sleep:

Choose a relaxing bedtime routine e.g. bath and a hot milky drink before bed.

Avoid loud music, homework, computer games, watching TV or other activities that gets the mind racing an hour before bedtime.

Keep their bedroom dark at night. The brain's sleep-wake cycle is sensitive to light. In the morning, being exposed to lots of light helps to wake up their brain.

Do the same bedtime routine every night for at least four weeks, which helps the brain associate this routine with going to sleep.

Then try 10 minutes earlier every week, until they have reached the preferred bedtime.

Try to avoid staying up late on the weekends. Late nights will undo their hard work getting back into a good sleeping routine.

Even getting an extra **30 minutes** of sleep each night will make a difference. It may take six weeks of extra sleep before they feel the benefits.

To get further advice contact your school's WACHS Wheatbelt Community Health Nurse or for more information visit: http://raisingchildren.net.au/sleep/teen_sleep.html.

THE STUDENTS OF NARROGIN SENIOR HIGH SCHOOL

INVITE YOU TO THE ANNUAL
