STUDENT & PARENT AGREEMENT

1. Student

I have selected my preferred six courses for Year 11, 2019, and three "reserve" courses have been listed. I understand that it cannot be guaranteed that all courses offered will actually run in 2019. A timetable will be constructed based on student choices. If clashes occur, my reserves may be used, or I may be asked to reselect a course (or courses) by relevant personnel.

2. Parent/Caregiver

Please carefully check these selections with your son/daughter, then sign below.

I agree with this selection of courses for my son/daughter. I, the undersigned, request the courses as listed on the following page on the understanding that:

- some courses may not be timetabled due to student numbers, resourcing or other constraints
- in order to gain direct entry to University, my son/daughter must study at least 4 courses that lead to external ATAR exams, including the English course (the school recommends 5 ATAR subjects)
- Direct entry to University or TAFE courses may require the completion of pre-requisite or recommended course units in Years 11 & 12
- I take full responsibility for my son's/daughter's outcomes and WACE graduation achievement if I do not accept the school's advice
- Some courses studied in Year 11 might not continue into Year 12 in 2020, although the school makes every attempt to do so
- I have acknowledged that my child's achievement to date will meet the minimum recommended background for the units/courses that have been selected
- The school reserves the right to deny an application for a particular course of study, where a student has not been recommended for that pathway by the relevant school faculty, due to other factors observed, that might indicate a poor likelihood of success.
