Department of Education Information on School Contributions and Charges

The continued partnership between the school and parents is vital to ensuring that all the students receive a level of education that will be sufficient to prepare them for when they leave school.

We run a varied and engaging range of subjects for students at Narrogin SHS and encourage all parents to continue to support the school through payment of contributions and charges. This will ensure we continue to have the capacity to provide a wide range of opportunities to our students.

Year 7-10

Voluntary contributions are costs associated with school based resources such as paper, specialist equipment use, chemicals, sporting equipment and information technology facilities that is used by multiple students and retained by the school.

Students in Years 7-10 are able to select a combination of subjects that meet the contribution value of \$235 and therefore do not attract compulsory charges.

Charges for Optional Costs are outside the basic core program and will incur additional charges above the basic contribution of \$235.

All students are responsible for provision of personal stationery items necessary for the subjects they study as per the stationery list.

Compulsory Charges

Year 11 and 12 charges are compulsory under the Education Act Regulations.

Whilst there is no maximum charge, the school will endeavour to keep costs to a minimum. If a high cost option has been chosen, the school requests a 50% deposit by the end of week 2 Term 1 with the remaining 50% to be paid by week 1 term 2. for students to confirm their place in their course of preference for the following year

There is the option to place students into a lower cost option if the charges are not paid.

Compulsory charges are applied to high cost electives chosen by students in Years 7-10 and to all Year 11 and 12 courses.

Payment Options

Parents are encouraged to pay all voluntary contributions and charges in full as early as possible.

Parents who are unable to make full payment of either voluntary contributions or compulsory charges on commencement of a course should not hesitate to contact the school to discuss payment options

We do encourage regular payments in instalments over the school year. Please contact Linda Nicholas, School Officer; Finance, to discuss payment plan options.

Payments can be made at the Administration Office.

Office hours are 8.00am – 4.00 Monday to Friday. The school makes provision for the following payment options:

- In person at the Administration Office with cheque, cash, EFTPOS or Credit Card.
- Internet Banking Account Details

ALLOWANCES TO HELP WITH THE COSTS OF SCHOOLING SECONDARY ASSISTANCE SCHEME (SAS)

The Western Australian Department of Education provides an allowance to assist eligible families with secondary schooling costs. The allowance consists of two components:

- Clothing Allowance – \$115 paid directly to the parent or the school.
- Educational Program Allowance \$235 paid directly to the school.

Application is made by the parent or guardian for student/s enrolled in Years 7 – 12. The allowance is paid up to and including the year the student turns 18 years of age.

Eligibility Criteria

Parent or Guardian must hold one of the following cards:

- Centrelink Family Health Care Card.
- Centrelink Pensioner Concession Card.
- Veterans' Affairs Pensioner Concession Card (blue card issued annually).

Parent/guardian must be the holder of a card that is valid sometime during first term with the student's name on the card. The only exception to this is when a student holds their own health care card and has been declared independent by Centrelink (e.g. living away from home). In this instance, a letter of confirmation from Centrelink needs to accompany the application.

Education Program Allowance/Secondary Assistance Scheme

Successful applicants will have the Program Allowance of \$235 paid directly to the school to reduce the contributions payable by the parent/guardian in Years 7-10 and the course charges in Years 11 and 12.

Clothing Allowance

The Clothing Allowance of \$115 will be paid to the parent/guardian unless you indicate on the application form that you wish it to be paid to the school. If payment to the parent/guardian is requested, the payment will be deposited into the parent/guardian's bank account. Payments made to the school will offset a voucher for Sportspower for uniforms or alternatively any charges on the students C&C account.

Abstudy Supplement Allowance

To be eligible for the supplement allowance, the parent/guardian must hold a Centrelink or Veterans' Affairs card that represents a statement of income for the family. Furthermore, the school or parent must have received the School Fee Allowance of \$78 or \$156 from the Centrelink as part of the student's ABSTUDY School Fees Allowance. The Department of Education ABSTUDY Supplement Allowance consists of \$79 Education Program Allowance paid directly to the school.

Please note that the Secondary Assistance Scheme cannot be claimed as well as this allowance.
