Dear Parent/Caregiver and Student

## Re: Student Parking Permit

Students are granted permission by the school to gain a Student Parking Permit to drive a personal vehicle to and from school. Until a permit has been approved by the Principal, students are not able to drive to school. Once approved a Student Parking Permit will be issued for display on the vehicle dash. A Student Parking Permit must be applied for and approved each calendar year.

### Guidelines for Student Drivers:

1. The vehicle is only to be used to transport the student to school in the morning and home in the afternoon.
2. Students may not go to vehicles between 8.35am and 3.00pm.
3. The vehicle is not to be used to transport any other student/s except as mentioned in the permit form.
4. Vehicles are to be parked only in the designated student parking area – the Narrogin Residential College car park/netball courts. (No responsibility is taken for vehicle security and no insurance cover exists).
5. The Student Parking Permit provided must be displayed on the dash of your vehicle whilst parked at school.
6. Drivers are to comply with all traffic rules. Offences under the Road Traffic Act may therefore be subject to police action. Within the school area drivers need to anticipate heavy pedestrian movement and drive appropriately.
7. There is a 40km per hour school zone restriction in the morning 7.30am – 9.00am and in the afternoon 2.30pm – 4.00pm.
8. Any breaches of the Guidelines for Student Drivers will result in the Student Parking Permit being revoked for a minimum of two weeks.

Yours sincerely

Ms Sandii Stankovic
