Department of Education Information on School Contributions and Charges

The continued partnership between the school and parents is vital to ensuring that all the students receive a level of education that will be sufficient to prepare them for when they leave school. We run a varied and engaging range of subjects for students at Narrogin SHS and encourage all parents to continue to support the school through payment of contributions and charges. This will ensure we continue to have the capacity to provide a wide range of opportunities to our students.

Year 7-10

Contributions are requested from parents towards the cost of materials, services and facilities used by Year 7 to Year 10 students in the educational program. Payment of voluntary contributions allows students to take part in the educational activities covered by the contribution. The amount of voluntary contributions will not exceed \$235.

Charges for Optional Costs are outside the basic core program and will incur additional charges above the basic contribution of \$235.

All students are responsible for provision of personal stationery items necessary for the subjects they study as per the stationery list.

Compulsory Charges

Year 11 and 12 Charges are costs for which payment is compulsory.

Whilst there is no maximum charge, the school will endeavour to keep costs to a minimum.

If a high-cost option has been chosen, the school requests a 50% deposit by the end of week 2 Term 1 with the remaining 50% to be paid by week 1 term 2. for students to confirm their place in their course of preference for the following year

There is the option to place students into a lower cost option if the charges are not paid.

Compulsory charges are applied to high-cost electives chosen by students in Years 7-10 and to all Year 11 and 12 courses.

Payment Options

Parents are encouraged to pay all voluntary contributions and charges in full as early as possible. Parents who are unable to make full payment of either voluntary contributions or compulsory charges on commencement of a course should not hesitate to contact the school to discuss payment options

We do encourage regular payments in instalments over the school year. Please contact Linda Nicholas, School Officer; Finance, to discuss payment plan options.

Payments can be made at the Administration Office.

Office hours are 8.00am – 4.00 Monday to Friday.

The school makes provision for the following payment options:

- In person at the Administration Office with cheque, cash, EFTPOS or Credit Card.
- Internet Banking Account Details:

Account Name: Narrogin Senior High School

BSB: 306-027

ALLOWANCES TO HELP WITH THE COSTS OF SCHOOLING SECONDARY ASSISTANCE SCHEME (SAS)

The Western Australian Department of Education provides an allowance to assist eligible families with secondary schooling costs. The allowance consists of two components:

- Clothing Allowance – \$115 paid directly to the parent or the school.
- Educational Program Allowance \$235 paid directly to the school.

Application is made by the parent or guardian for student/s enrolled in Years 7 – 12. The allowance is paid up to and including the year the student turns 18 years of age.

Eligibility Criteria

Parent or Guardian must hold one of the following cards:

- Centrelink Family Health Care Card.
- Centrelink Pensioner Concession Card.
- Veterans' Affairs Pensioner Concession Card (blue card issued annually).

Parent/guardian must be the holder of a card that is valid sometime during first term with the student's name on the card. The only exception to this is when a student holds their own health care card and has been declared independent by Centrelink (eg. living away from home). In this instance, a letter of confirmation from Centrelink needs to accompany the application.

Education Program Allowance/Secondary Assistance Scheme

Successful applicants will have the Program Allowance of \$235 paid directly to the school to reduce the contributions payable by the parent/guardian in Years 7-10 and the course charges in Years 11 and 12.

Clothing Allowance

The Clothing Allowance of \$115 will be paid to the parent/guardian unless you indicate on the application form that you wish it to be paid to the school. If payment to the parent/guardian is requested, the payment will be deposited into the parent/guardian's bank account. Payments made to the school will offset a voucher for Sportspower for uniforms or alternatively any charges on the students C&C account.

Abstudy Supplement Allowance

To be eligible for the supplement allowance, the parent/guardian must hold a Centrelink or Veterans' Affairs card that represents a statement of income for the family. Furthermore, the school or parent must have received the School Fee Allowance of \$78 or \$156 from the Centrelink as part of the student's ABSTUDY School Fees Allowance. The Department of Education ABSTUDY Supplement Allowance consists of \$79 Education Program Allowance paid directly to the school.

Please note that the Secondary Assistance Scheme cannot be claimed as well as this allowance.

VOCATIONAL EDUCATION AND TRAINING QUALIFICATION OFFERINGS

Narrogin Senior High School provides a broad range of Certificate courses in partnership with Registered Training Organisations (RTOs). All qualifications are nationally recognised. RTOs are licensed under the Training Accreditation Council (TAC) or the Australian Skills Quality Authority (ASQA) to deliver and assess these qualifications. They will be advised of the students enrolled in these courses in February 2022. A certificate or statement of attainment will be issued by the RTO to students who successfully complete all course requirements. Certificates are delivered to the school and then presented or posted to students. Due to external auspicing and delivery costs charged to the campus, students will not be enrolled into Certificate courses until 50% of the certificate payment has been received, with the final payment required by the end of Term 1.

The first Certificate Course of lesser value is covered by the school profile, all further Certificate courses will incur a charge.

Authority Developed Workplace Learning - ADWPL 2022 Course cost \$70 per year

Workplace Learning is an Authority-developed endorsed programme that is managed by individual schools and open to students in Years 11 and 12. To complete this endorsed programme, a student works in one or more real workplace(s) to develop a set of transferable workplace skills. The student must record the number of hours completed and the tasks undertaken in the workplace in the Authority's Workplace Learning Logbook. The student must also provide evidence of his/her knowledge and understanding of the workplace skills by completing the Authority's Workplace Learning Skills Journal after every 55 hours completed in the workplace. Unit equivalence is allocated based on 1-unit equivalent for every 55 hours completed in the workplace, to a maximum of 4 units. The total number of hours completed in the workplace is reported on the student's WASSA. Success in ADWPL may contribute significantly to a student's successful entry to a Training WA college, full-time employment and traineeships/apprenticeships.

Dear Parents/Caregivers,

The Narrogin Senior High School Parents and Citizens Association operates the canteen, which aims to provide lunches and snacks at sensible prices and make a reasonable profit, which is used by the P&C for the benefit of the students. The policy of the canteen is to supply food suitable for the growth and health of the students.

The canteen employs an organiser and assistant's, but is dependent on volunteers to help reduce costs. A good roster enables the canteen to be run more economically and give better and cheaper service to the students. Help is needed between 10.45am and 2.15pm each school day.

We would really appreciate your help and if you can possibly assist us, either weekly, once a month or even once a term, please phone the Canteen Manager, **Donna on 0409 887 790.**
