High School Highlights

School Ball 2024 Belle & Beau

Tamika Cross-Read & Guillaume van der Riet

On 9 February, the Year 11's and 12's attended Narrogin Senior High Schools, "Night in Paris" Ball.

After a long hour of photos at memorial park, students began arriving at the town hall in a various array of old and extravagant vehicles. Here we were given the opportunity to show off our dresses and suits and pose for a photo under the Eiffel Tower created by talented Mr Robins.

After the students had entered the hall, they were greeted with Paris inspired decorations, including replicas of the Eiffel tower and feather centrepieces.

The MC's for the night Beau Readhead and Abby Dewing, opened the event and lead each table up for a delicious dinner provided by Geoff and Sue at Country Fresh Meats.

Following dinner, everyone got up to dance to the music provided by DJ Paul V Entertainment. After a lot of dancing, we returned to our tables ready to eat dessert, then straight back to the dance floor, where some student's energy and dance moves stuck out to the staff along with a bit of karaoke by Jaemo.

The night of course cannot end without awards, congratulations to the following students.

Belle of Ball - Tamika Cross-Read

Beau of Ball - Guillaume van der Riet

Best Couple Year 11 - Max Slawinski & Morgan Wilson

Best Arrival Year 12 - George Wright and Kayla George

Best Arrival Year 11 - Blake Lloyd & Chloe Behlau

Best Dancer Year 11 - Stacey Garlett

Best Dancer Year 12 - Tiny Nyemba

Throughout the night we had the opportunity to create memories with our friends and partners with photos taken by Craig Stewart of Bliss Studio, and the Year 12's took their final group ball shot.

Leah Mulcahy & Mrs Nan Steer

Wait Staff

School Ball continued

Thank you to the amazing staff and parents who helped make the night special for our Year 11 and 12's
Special thanks to Guy Robins, Nick Rowley and Ben Robins for the amazing Eiffel Tower that was our feature on the red carpet and our awesome locks. These were attached to our very own Pont Des Arts love lock bridge made by Jedda and Darren.

Thanks to Narrogin Squash Club, Jaqui Early, Mark & Susan Regan, Air Response, Andrew and Mel Grieve and NDC dance studio for lending us fans and portable aircons to help with the extremely hot evening.

Thank you to Narrogin Furnishings, Thing a me Bobs, Narrogin Fruit Market, Flowers in the Valley, Coles, Narrogin Hire and Shire of Narrogin, for your continued support.

20/20 Cricket

On 21 February the Narrogin SHS student competed against the Narrogin Agriculture College in the first Annual T-20 match. Narrogin Ag won the toss and elected to bat first and were able to score quickly in the first 5 overs. Good bowling slowed the run rate down and accurate bowling knocked off the wickets four times. Narrogin Ag were all bowled out for 99 runs with Chase Parson collecting the best figures with three wickets for only two runs. After a break and dinner the boys headed out to bat. A few wickets early and a slow run rate put the game at risk until Lucas Hull and Beau Flood partnership arrived. The partnership lasted the remaining overs making 42 runs and chasing down the 99 runs with three overs to spare. Beau Flood was named man of the match, knocking 30 runs in his debut match. Well done to Lucas Hull for captaining the team to victory. Thank you to Leah Heywood and Sandra Moffett for scoring and also to the Narrogin Ag for feeding our players. We look forward to the challenge next year.

Lucas Hull named Captain of the squad and being presented the shield

Beau Flood named man of the match with 30 runs

Solar Car Challenge

The Year 8 Science 1 class travelled to Amaroo Primary school to participate in the Synergy Solar Challenge. We had two teams in the competition, both teams reached the finals with one team first and the other fourth. We look forward to seeing your attendance at the Grand finals at Murdoch University on April 26. Congratulations to the students and Mr D'Cruz for a successful day!

Clontarf News

Update

Our Year 8 and 9 Clontarf boys Lucas Bransby, Jayce Harrison, Blaise Reeves and James Kickett had a great time last week in Albany.

We exceeded expectations and had a great Basketball carnival reaching the Grand Final but narrowly fell short.

We got up to Emu Point for a swim, went out for dinner and went to the movies whilst also fitting in a morning training on the final day.

It was also great to see Lucas Bransby present the Clontarf Spirit Award at the carnival to Jayce Harrison who gave 110% effort all day and gave everything to the team.

They both showed great leadership and spoke extremely well!

By Craig Davies

Goal Setting

Last week we held a Year 12 goal setting night at the Wellington Forest Cottages with our Year 12 Clontarf Boys. The boys started the evening by having a BBQ in the forest with Clontarf Staff followed by brainstorming some of the obstacles that they may face this year with 2-3 strategies to cope with these challenges.

As a group the boys then made a commitment to a range of educational outcomes, Clontarf activities and attendance targets. We look forward to supporting the boys with these goals throughout the year. At the end of the year, Clontarf Academies reward all Year 12 boys for finishing their schooling with a trip to another state, we call this Major Trip. All four boys discussed destinations at length with them eventually deciding on Sydney as their number one choice followed by Melbourne and Queensland.

We then finished the evening with an intense game of Monopoly with Robert bailing out early due to fatigue followed by Jaxon and Tyler who were having money troubles. Jacob fought me all the way but unfortunately for him I'm still the master and he's still the apprentice (there's always next time !)

Good Bunch Lunch

We have had a couple of week's break from Good Bunch Lunches due to activities out in the community.

A big thanks to English for attending our last one, it was a great effort from Mary and her team to get down meet the boys and check out the rooms.

Room 30

Incursion

Ellen Smith from Primary Health Promotions visited Room 30 Education Support last Monday. The students had an interactive hands on session involving learning about the amount of sugar in the drinks they enjoy every day.

There are 53 teaspoons of sugar in a 2 litre bottle of coke!.

Well Done Brendon

Brendon entered a competition through the school and Room 30 last year. He received this certificate and prize pack yesterday, “Highly recommend certificate for kid safe “

9 Stem

Students engaged in learning the components of a desktop computer. They pulled the computer apart and put them back together again – and they worked!

Welcome Year 7

Congratulations to the year 7s who started the year with a blast. Building new friendships, buying lunch at the canteen and collecting Compass reward points.

English students are working on Sensory description portfolios of the eruption of Mount Vesuvius in Pompeii and Growth Mindset focus.

Science students are working on becoming little scientists and Investigation.

HASSL are working on exploring the factors that affect the liveability of places.

25-Year 7s have joined the Rock and Water Program, learning about self-awareness, and self-confidence.

Cheesies On The Hill

On Friday morning 1 March Student Services held Cheesies on the Hill.

A special thank you to Student Councillors Maya Lehmann, Emily Kulker, Stirling Matthews and Sienna Sheridan with help for Year 10 Coordinator Mr D'cruz for serving up a storm.

There were lots of full tummies with students enjoying a free cheesies before school.

**NARROGIN SENIOR
HIGH SCHOOL
P&C ANNUAL
GENERAL MEETING**

6pm
Wednesday 27th March
@ NSHS
Conference Room

ALL Positions Available.
Everyone is welcomed 😊

Narrogin Volunteer Fire & Rescue & Narrogin State Emergency Service are currently seeking volunteers!

Are you ready to make a difference in your community? We're seeking volunteers to join our dedicated team! No prior experience necessary – just a willingness to learn and a passion for helping others.

As an Emergency Service volunteer, you'll gain valuable skills, forge lifelong friendships, and have the opportunity to serve your community in times of need. Whether you're interested in firefighting, Land Search, Storm Damage, Waterbomber Reloading or Community Education, there's a place for you!

You don't need a lot of time, just the heart to make a difference in the community.

Join us today and be a hero in your community!
